## OAKWOOD GLEN ASSOCIATION

### BOARD MEETING NEWS

The June Meeting of the Oakwood Glen Board of Directors was held Tuesday, June 14. Directors Baalman, Crider, Gleason, Fillion, Johnson, McNinch, Nichols and Palmquist were present, along with Community Manager Stella Walleck, and Water Board representative Bob Walker.

The Collections Committee reported that between 100 and 150 lots are unpaid or partially paid, with several residents paying monthly. Demand letters have been issued and the Credit Bureau is in the process of making contacts.

The Deed Restrictions Chairman Barbara Fillion reported that unmaintained yards continue to be the biggest problem. Forced mowing of properties takes place once a month. Builders who own properties will be sent letters notifying them that they are in violation of Deed Restrictions.

Security Chairman David Gleason reported that the neighborhood has been relatively quiet. Anthony Harrison has been appointed our new Overtime Officer. 32 hours of overtime were used for June and 30 hours were requested and approved for July. Mr. Gleason reported that security rates have increased 1% from last year, from \$25,909 to \$26,168.

Activities Chairman Julie Crider reported that the first Summer Fun Day attracted about 40 children and went smoothly. More are planned throughout the summer.

Greg Johnson of Maintenance and Development Committee reported that a new lifeguard stand has been built for the pool area, and a lockable cable added to secure pool furniture at night. Various lighting problems were corrected, plumbing in the pool house repaired and a small drinking fountain installed at the rear of the pool house, facing the tennis courts. A motion to award \$1200 for installation of security lighting at the recreation area was approved. Repainting of the entrance signs was also discussed.

Discussion was held on the Agenda for the

### BOARD OF DIRECTORS POSITIONS OPEN

Elections will be held at the Annual Meeting of the Oakwood Glen Association in September to fill three positions on the Homeowners' Board of Directors. Anyone interested in having his/her name placed in nomination should call Nominations Chairman Charlie Thomas or Consolidated Management (our Community Management company).

There will be information on those interested in running in the election in the August Acorn, provided there is interest expressed. To find out more about the Board, contact any Board member as listed in this issue of the Acorn. **Get involved!**

# PEOPLE, PLACES, & EVENTS AROUND THE NEIGHBORHOOD

Thanks to the three neighborhood men on Peace River Drive who pitched in and spent hours cleaning up and trimming the yard of a vacant house on their street. There are others throughout the subdivision who pick up newspapers, remove flyers, mow unkempt lawns and help keep eyesores from developing. Thanks!

The Community Garage Sale which was held the first weekend in June was very successful for most of the 29 participants, despite the on-again off-again rain. The subdivision lost many pounds that weekend—though word has it that some of that weight just shifted location!

North Oaks Baptist Church is sponsoring a Vacation Bible School from July 25 through the 29th, from 9:00 AM till Noon. Kids from kindergarten age through 6th grade are welcome. Laurie can give you more details, at 370-0647.

**GET WELL** wished to resident Chris Schoeck who is recovering from an auto accident. Hope your recovery is a speedy one!

A reminder to the Cub Scouts of Pack 1550 to join the fun at the summer events. A games & magic extravaganza was held at Oakwood Glen Park on June 25th, and we're looking forward to Roller Skating Party at Champions Roller Rink on July 17th and a Swimming & Homemade Ice Cream Party at the pool on August 15th!

Our Constable Deputy still has several hood ornaments which were recovered in our subdivision. If yours was taken, talk with the Constable's office or our deputy as he patrols. Remember to report any incidents or vandalism to the Constable, even if they seem insignificant.

If you live on White Tail Drive, plan to attend the White Tail Drive Block Party which is being planned for early this Fall. Should be lots of fun!

## RECREATION COMMITTEE MEETING

The Recreation Committee meets on the first Thursday of each month at 7:00 PM at the Park Pavillion. All residents are welcome. Anyone interested may call 376-8294.

## FLAG DAY TRIVIA

- \* The Stars & Stripes, whose birthday we observe on June 14, was first authorized by the Continental Congress in 1777.
- \* The first flag was made by Mrs. Betsy Ross whose uncle, George Ross, was a member of the committee appointed to have a flag made.
- \* The U.S. Flag has 13 stripes: 7 red and 6 white.
- \* The author of the Pledge of Allegiance to the Flag, which has been slightly revised, was Francis Bellamy who lived from 1855 till 1931.
- \* As the nation began to grow, a star and a stripe were added for each new state until Congress resolved in 1818 to maintain the thirteen original stripes and add only a star for each new state.

**AREA PARKS HAVE LOTS TO OFFER**

Looking for something to do with the kids or the family this summer? Try checking out some of the area parks! Depending on the weather, a can of "Off" would be a wise investment.

For starters, there is our very own Oakwood Glen Park in the rear of the subdivision, off White Tail Drive. There are picnic tables, nature trails, play equipment, a ball field and a pavilion. Squirrels, birds, rabbits and other critters still visit the area too. Remember to call the Community Manager to make reservations if you want to use the area for a group gathering. It is becoming more and more popular.

Have you discovered Cypresswood Park (the one behind the library) off Cypresswood Drive? Or Spring Creek Park just north of Tom-ball Off FM 149. Both offer play equipment, restrooms, picnic tables, ball fields, a basketball court, trails and more.

There is a nice park off 149, too, just north of the YMCA but on the opposite side of the highway. Picnicing and lots of nature trails are there—a nice early morning walking spot.

Mercer Arboretum continues to bloom and grow. Located off Aldine Westfield Road, it offers hours of fun with its flowers, lily ponds, trees, well-maintained trails, restrooms and picnic facilities. YOU can get there without going on FM 1960, too, if you go east on Spring-Cypress, across I45 and then turn right onto Lexington just before you get to Old Town Spring. Take Lexington to Aldine-Westfield and go south for a few minutes and you're there!

If you go a little further, there's a great park called Jesse Jones. Complete with an air-conditioned Nature Center, this extensive park has play equipment, picnicing, and miles of interesting trails and wildlife. Special programs are offered year-round. You can reach Jesse Jones Park by going east on FM 1960, almost to Humble. Watch for the Kenswick subdivision entrance on the left. It's a straight shot through that subdivision to the park.

If you have a favorite area you'd like to share, let me know. Call 251-8008.

**YARD OF THE MONTH**

The Yard of the Month award for June and a Randall's gift certificate were presented to **Lewis and Stacy Cromer of 6903 Peace River Drive**. Thanks to the Cromers for helping make Oakwood Glen a more attractive place to live!

TENNIS NEWS

In the championship match for the North Suburban Tennis League crown in "C" division, Oakwood Glen was edged out by Timberlane by a score of 4-2. What at first appeared to be an easy win for Timberlane turned out to be much closer as the prospect of tie-breaking sudden death playoff seemed imminent during the last match. Timberlane won the last match 8-6, however, and took the series. It was a very successful season and Oakwood was well represented. Awards were presented at the post season banquet held June 4th.

### TENNIS ANYONE?

Oakwood Glen hopes to field two teams this fall to compete in the Men's Tennis League. Last season's "C" team will get the dubious honor of moving to "B" (required), and we hope to have a second team competing at the "D" level. There will be openings on both teams. Anyone interested in league play and/or the tennis ladder, please contact Don Huggins, 376-5129.

### POST NO SIGNS

Please do not post signs on the wooden entry signs to Oakwood Glen. Though convenient, this really presents a poor image of our neighborhood. Tacky (no pun intended), to say the least. Signs posted there will be removed.

Signs on stakes may be posted near the entrances and throughout the subdivision as always. You are asked to please remove signs when they become outdated and remove any stakes, tape or other material used to post them.

There has been discussion of placing a notice board somewhere near the entrance(s), though nothing has been decided on this issue as yet. Talk to a Board Member if you have any ideas on this matter.

## SECURITY REPORT

By David Gleason

Except for a few incidents of vandalism, the neighborhood has been relatively quiet during the past month.

Residents are reminded that children are out of school—**please drive carefully!** A few minutes of your time is not worth the life of a child. Our Constable Deputies have been instructed to strictly enforce ALL traffic laws and have been stopping many speeders.

With friends and neighbors going on vacations this time of year, residents are asked to be alert to what is happening in their neighborhoods. Please call the Constable to report any suspicious activity.

## CYPRESS CREEK EMERGENCY MEDICAL SERVICES UPDATE

More and more of our residents have backyard pools. This, unfortunately, can lead to increased numbers of drownings. We all need to learn CPR, but especially those with pool. CPR is taught regularly at Cypress Creek EMS Station 1 on Sugar Pine Lane.

Both day and night classes are offered, and Basic CPR class takes only four hours. For more information and specific times, please call 44H-EART (444-3278). CPR is a skill that could save a life.

Residents are reminded that large house numbers on BOTH sides of your mailbox are a big help to emergency vehicles. The best kind are the reflective ones. As an ambulance approaches your home they cannot see curb numbers until they are right in front of your house.

Cypress Creek Emergency Medical Services wishes all a safe Summer. If you have any questions about our free service, call 440-9650. In emergencies, dial 9-1-1.

## WATER BOARD NEWS

Two drinking fountains were recently approved for construction by our MUD #24 Board. They have since been installed in the park area of Oakwood Glen at the back of the subdivision. Installation was performed by Hayes Utility Service. The encourages anyone who recreates in this area to use the fountains.

Bids have been accepted to construct 2 filtration units to further purify our water. Both should be in operation by late Fall and should help reduce the metal content of our water.

During the month of August, the Water Board will hold a "town meeting" concerning the formation of a Regional Water District #2. This meeting will give residents an opportunity to learn details and ask questions about the formation of this Regional District. After plans for this meeting have been finalized, all residents will be notified of the exact date and time. We hope many residents will attend.
