OAKWOOD GLEN ASSOCIATION

May Board Meeting

The monthly meeting of the Oakwood Glen Association took place May 12, 7:30 PM at the Park Pavilion. Seven Board members, Community Manager Stella Walleck, and four interested residents attended.

Maintenance & Development Committee reported that in the Rec area the work on lights is continuing. Keys issued to people who are not residents of OWG is still a problem. The Board discussed ways to check all keys and the problem is being watched closely. Soda machine arrived and will be filled soon. See related article pertaining to the burglary of the pavilion in the park area.

Kathy Baumgartner, Deed Restrictions, reported 34 new violations, two certified letters sent, two with attorney, and two force mows. Drive-thru was on April 21.

Antoinette Mattaliano, Pool Use Director, reported a new clock will be installed at the pool. Pool tags are being issued with a good response. The Committee is looking into matters concerning the cracks in the pool.

Judy Peplinski, Activities Director, reported that the pool party plans are well under way. The Board approved a \$600 budget for the event. Plans are being made for a summer time wine and cheese party in the back park.

Collections are at 84% for 1992. Letters will be sent out for any outstanding fees and will be sent to the attorneys probably in July.

Rick Corbin, Water Board, reported that construction on Windy Point is almost completed. Water District elections were held and all incumbents were re-elected including Corbin, OWG resident.

Dave Gleason, Security, reported seven misdemeanor arrests, 22 traffic warnings, and 58 traffic citations. Constable Deputy Rob Barnes purchased the radar unit himself and is using it in his patrol car. OWG did not purchase this unit.

Julie Crider, New Residents, reported she has handed out five new packets with several more still pending to go out. She will distribute additional packets at the pool party.

Architectural Control Committee reported that two reports have been turned in. After changes made to one of the reports, both were accepted.

The Board will meet next on Tuesday, June 9, 7:30 PM at the Park Pavilion. As an Oakwood Glen homeowner, you have a right to attend each and every meeting to voice concerns, ask questions, make comments, and / or complaints. Exercise your rights! As always, all residents are welcome. See you there!

Going To Press!

The 1992 Oakwood Glen Directory is soon headed for the press. If you would like your family listed in this directory for all OWG residents to receive later this year, you better hurry up! Call Kathy Baumgartner at 370-9680 for more information. June 10 is deadline!!!

Street Numbers

Until recently, we could drive around and look at how many different places people chose to place their house numbers—if they put any up at all.

A big **thank you** to Thomas Lipinski who painted street numbers on the curb of every home in OWG! The uniform appearance is a definite help for emergency vehicle in our neighborhood. Response time may be quicker if you or your family need emergency help. We are pleased to have had the number-painting in our neighborhood.

Pavilion Burglarized

On April 26 the pavilion was broken into. The Board approved \$600 to repair the structure from the damage sustained during the burglary. The amount does not include money for the refrigerator, stove, and microwave which were stolen. The Board will be looking at bids to install a security system in the building.

Crimes cost everyone. If anyone knows anything about this burglary, or heard or saw anything, please contact Deputy Barnes at the Constable's office' 376-3472.

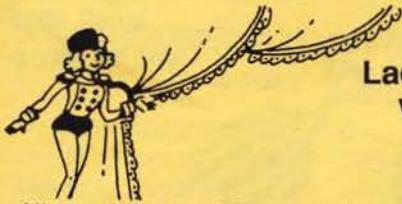

Key Alert

Residents of OWG pay for upkeep of recreation facilities through Association dues and therefore have exclusive rights to use all OWG facilities.

The Board of Directors is adopting rules governing use of the common areas in OWG. The Board will have the right to suspend any rights of any resident to use of the facilities for sixty days if a resident has misused the keys.

Misuse includes lending a key to someone who is not a resident of OWG. This is described in Article 7, Section 1A, of the Bylaws of the Oakwood Glen Association.

Ladies Night Out - WEDNESDAY

All women of the subdivision are invited to take the night off Wednesday, June 17, 7:30 PM for an evening of fun. Call Pat at 376-0574 for reservation information. Keep watching the *Acorn* for details. See you there!

Babysitting Co-op Changes Meeting Date

The Oakwood Glen Babysitting Co-op has changed its meeting date to the first Thursday of the month.

The June meeting will be held Thursday, June 4, at the home of Cheryl White. The July 2 meeting will be held at the home of Laura Graham.

For more information about joining the Co-op, call Pat, 376-0574, or Antoinette, 376-7219. Several openings are available.

Thanks!

A big thanks to Junior Girl Scout Troop #10220 for putting Thompson's water seal on all the wooden play structures in the front park. The volunteers were: **Kathy and Emily Miller, Judy and Beth Peplinski, Sue and Melissa Hodges, Elizabeth Pankau, Chrissy Kenetick, Katy Wykoff, and Laura Reidy.**

Thanks so much for your help!

Who Was That Masked Man?

Recently, Pack 1550 conducted a conservation project for its host, Ehrhardt Elementary. Among the activities was the ill-fated attempt to replace a dead tree with a live oak tree. Alas, that tree died as well. However, Michael Shawn Kelly, owner of Mirror Lake Landscape, Pools, and Waterfalls, came to the rescue. He donated a fine replacement tree including the labor of planting it!

A big thank you on behalf of the Pack and the community to Shawn Kelly!

Home Improvements Or Modifications Require ACC Approval

Any improvements to property in Oakwood Glen must have Architectural Control Committee approval. "Improvements" are any changes which would alter the existing architectural plan of the property. Application for approval must be made prior to commencing considered improvements.

To get an Approval Request Form, contact Consolidated Management Services, 876-2502.

On the Form, in addition to the property owner's name and address, the following information is to be given in detail: description of improvements to be made (attach a sketch if necessary), who will perform the work, construction start date, location of improvements, list of materials including colors of paints or stains to be used.

Even though applicants are not to begin construction improvements until the ACC notifies approval, the Committee agrees to act upon requests as quickly as possible.

For further information, call ACC Director Craig Paustian, 376-0574.

Tennis Court Care

Several complaints have been lodged about the condition of the tennis courts: nets down, broken bottles, and litter. Money was spent to fix up the courts. Not everyone has access to the courts. To the few who do: it is your responsibility to keep the courts clean.

Littering

Please be considerate of others when using the recreation areas. Littering in the back and front park areas can become a big problem. Leave the areas clean—like how you want to find them when you arrive.

Girl Scouts Discontinue Paper Drive

After several years of providing paper collection service to the Klein area, the Girl Scouts will discontinue their monthly paper drive. Nevertheless, Scouts urge everyone to seek out and use other recycling programs.

The important precedent Girl Scouts have set by providing this long-term community service is surely to be carried forward. Please continue to recycle all you can everyday; work to conserve resources while cutting down on what congests our landfills.

Thanks go to residents of Oakwood Glen for the ongoing support given to Girl Scouts and their service projects.

Klein High School Bands Had A Great Year

The Klein High School bands recently competed in the University Interscholastic League (UIL) Concert and Sightreading Contests. The Concert Band, under the direction of Todd Clearwater, received a rating of "one" in concert performance and a "two" in sightreading. The Symphonic Band, directed by Pat Patterson, received straight one's from the judges and was the only second band in the competition to do so. The Klein Honor Band also received straight one's from the judges and is under the direction of Randy Vaughn.

More recently all three performing Klein bands traveled to Corpus Christi for the 41st annual Buccaneer Music Festival. The Concert Band earned a rating of "two", and the Symphonic and Honor Bands each earned a rating of "one".

The Klein Band Boosters wish the class of 1992 much success and acknowledge the following OWG residents who are seniors and band members: **Kathy Carroll, Liz Kwok, and David Nino.**

Thank you, students and directors all, for a fine evening of entertainment at the Spring Concert, and another year of astounding musical performances!

KHS June Calendar

Finals are in June this year. Senior finals are Tuesday and Wednesday, 2nd & 3rd. Underclass finals are Thursday and Friday, 4th & 5th. Friday, June 5, is the last day of classes and graduation practice for seniors. Saturday, June 6, is KHS Graduation, 5 PM, Hofheinz Pavilion.
